

Contact from Conungra

The Manager of 'Foodworks' - Conungra (Qld) has approached MEEPPA for ideas and help on how to tackle a corporate giant – (you guessed it 'Woolly Bully's') - His main problem is the size of his town as we advised him to immediately start a Township Group – Believe it or not – 725 People!!!

May Events

Our next meeting is May 5. Starting at 7:30pm at the Community Room, Wray Crescent. Everyone is welcome.

The Owl land working bee will be Sunday 4th from 10am to 12. Parking is available across the road at Pemroke, please bring protective clothing.

Wetlands concern

We have expressed grave concerns that the Warrawee Road / Currajong Rd. Road Scheme drainage 'Wetlands' design has been changed dramatically and are still waiting to be briefed on what the changes will be. In the meantime we have expressed our concerns in having the velocity of 'nutrient rich' and silty water being flushed directly into Olinda Creek without any attempt to improve its potability for very good reasons. (See Sightings). It is time that this community realized the threat and pressures that are being placed on this 'iconic' stream. MEEPPA has warned in the past that without careful monitoring that we will end up with a 'ditch' that was once called 'Stringybark Creek'.

Meeting dates for 2008

Listed below are all the meeting dates for 2008.

5th May
2nd June
7th July
4th August
1st September
6th October
3rd November
1st December
